About Yalla Group Limited

Yalla Group Limited is the largest voice-centric social networking and entertainment platform in the Middle East and Northern Africa (MENA). The Company operates two flagship mobile applications, Yalla, a voice-centric group chat platform, and Yalla Ludo, a casual gaming application featuring online versions of board games, popular in MENA, with in-game voice chat and localized Majlis functionality. Building on the success of Yalla and Yalla Ludo, the Company has expanded its content, creating a regionally-focused, integrated ecosystem dedicated to fulfilling MENA users' evolving online social networking and entertainment needs. The ecosystem includes YallaChat, an IM product tailored for Arabic users; WAHA, a social networking product designed for the metaverse; and games such as Yalla Baloot and 101 Okey Yalla, developed to sustain vibrant local gaming communities in the region. Yalla is also actively exploring outside of MENA, having launched Yalla Parchis, a Ludo game designed for the South American markets. Yalla's mobile applications deliver a seamless experience that fosters a sense of loyalty and belonging, establishing highly devoted and engaged user communities through close attention to detail and localized appeal that profoundly resonates with its users. In addition, through its holding subsidiary, Yalla Games, the Company has expanded its capabilities in mid-core and hard-core game distribution in the MENA region, leveraging its local expertise to bring exciting new content to its users.
